

# ***OUTER BURIAL CONTAINER PRICE LIST***

Effective date: July 1, 2006

In most areas of the country, no state or local law makes you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or a protective burial vault will usually satisfy these requirements.

## **THE WEIGHT OF THE GROUND RESTING UPON A CASKET IS 6,000 TO 8,000 POUNDS**

### *WILBERT BRAND CONCRETE VAULTS*
